REPORT OF ELECTRIC LIGHT COMMITTEE

The total revenue for the year from the electric light system was \$5,619.60.

The cost of maintenance of the system was again comparatively small, the principal items of expense being for repairs made necessary by the heavy snow storm of November and the cost of moving and replacing poles on the Greenfield Road construction project which was started in 1942 and completed last year. We have been unable to secure anyone to do trimming this year but have the promise of a crew to work for us in the spring.

The pole replacement program has made further progress but is still only a little more than half completed. The cost is apparently going to be more than we estimated and we are asking for another appropriation this year. In addition to the original project in Hancock, we have been notified that a total of 23 poles will have to be renewed on the lines which we own with the New England Telephone & Telegraph Co. in the town of Peterborough.

We herewith submit a financial report for the year.

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE SCHOOL BOARD OF HANCOCK

I submit herewith my tenth annual report, the statistical summary of the Hancock Schools for 1942-1943, and the annual report of Miss Margaret E. Harris, R.N.

The total enrollment for the fall term of the present school year was 93, which shows a reduction of twenty-two from the same period last year when it was 115.

Grades	I	II	III	IV	V	VI	VII	VIII	IX	X	XI	XII	Total
Boys	0	4	5	4	5	1	7	2	0	4	2	3	37
Girls	2	4	5	6	5	4	10	4	8	5	2	1	56
	—	—	—	—	—	—	—	—	—	—	—	—	—
Total	2	8	10	10	10	5	17	6	8	9	4	4	93

As mentioned in last year's report the small number of pupils in the first two grades called for a reorganization in the primary schools, and this year Miss Welsh has the first three grades instead of the first two, and Mrs. Black has grades four, five and six, so that only two instead of the three rooms are in operation in the Center School building.

Mrs. Black and Miss Welsh have continued their excellent work in the primary and intermediate grades.

Mrs. Mildred Whitcomb of Keene has continued as Music Supervisor, devoting one half day each week to the Hancock Schools.

The Junior High School enrollment is larger than last year, but the Senior High School enrollment was smaller at the opening of school and has been still further reduced by the leaving of older boys to enter the armed service.

There is reason to expect that the post war period will bring an increase in the school enrollment, but during present conditions Hancock in common with other towns of similar size, will find the school population substantially reduced.

I wish at this time to thank the school board, teachers, pupils and parents for their support given me during the past year.

Sincerely yours,

LEWIS S. RECORD,
Supt. of Schools.

February 10, 1944.
